

Directions and Maps

Skills: Type a web address, follow links

Materials: Internet access, printer (optional)

Activity 1: Use Map Quest to get directions.

1. Go to www.mapquest.com
2. Look for the box called DIRECTIONS.
3. Look for directions from your house to:

The Morris Museum
6 Normandy Heights Rd.
Morristown, NJ 07960

Directions and Maps

4. Type the **Start** and **End** places.

The screenshot shows the Google Directions interface. At the top, it says "Directions - Enter as much as you know". Below this, there are two columns for input. The left column is labeled "START Starting Location" and contains a search box with "Literacy Volunteers of New Jersey", a "Find a Business" link, an "Address or Intersection" field with "120 Finderne Ave", and a "City" field with "Bridgewater", "NJ", and "08807". The right column is labeled "END Ending Location" and contains a search box with "Morris Museum", a "Find a Business" link, an "Address or Intersection" field with "6 Normandy Heights Rd.", and a "City" field with "Morristown", "NJ", and "07960". A "Get Directions" button is at the bottom. Two arrows from the text above point to the "START" and "END" labels.

5. Click **Get Directions**.

Directions and Maps

Activity 2: Find a map.

1. Go to www.mapquest.com
2. Type in the address.
3. Click **Search**.

Directions and Maps

You can also see a satellite picture by choosing **Aerial Map** on the top right corner.

Directions and Maps

Activity 3: Find directions from your house to these places:

**Battleship New Jersey
Cape May Point
Grounds for Sculpture**

Do an Internet search to find the addresses.

1. Go to www.google.com.
2. Type the name of the place in the search bar.
3. Click on the link for the website. It should be the first or second web site that comes up on your list.
4. When you get to the website, look for the address at the top or bottom of the page. If it's not there, look for a link that says, **Contact Us**.
5. When you have the address, go back to www.mapquest.com.
6. Click on Directions.
7. Type your address in the **Start** box and the place you are going in the **End** box.
